## Mission-Critical Access

The ProTactic Series delivers high performance to pro photographers who need an urban-inspired pack that delivers on all fronts: accessibility, versatility, comfort and organization.

- **Four access points** at the top, sides and back help you grab a shot and organize your kit without missing an opportunity.
- **Create limitless set-ups** with the robust SlipLock™ compatible strap system, and the patent-pending MaxFit System™ of dividers.
- ProTactic comes with **five modular accessories** to help organize and quickly access extra gear.
- Its **ActivZone System™** harness provides targeted comfort for support on the move.

Materials: Nylon webbing, nylon 6/6 210D, 1680D nylon ballistic, 900D polyester
